WCHS 2018/2019 Registration

Registration for next year is well underway. We sent home registration forms with students before Spring Break and they are **NOW DUE** to be returned to Student Services. Students (Gr 9-11 this year) who know that they are moving to another school need to inform Student Services ASAP. Students (Gr 12) who plan to return for another year need to inform Student Services as well.

MyPass is how you access your Diploma Exam results and request official transcripts.

You will need an active email address that is NOT your school generated email, and your Alberta Student Number. New for MyPass is students have the ability to include a parent/guardian. Once a student sets it up, the parent/guardian will have their own on-line access to the students information.

WCHS was honoured to join in solidarity, on April 9, Wear Green Day and again on April 12, Jersey Day, with all those deeply impacted by the tragic accident on Friday, April 6, of the Humboldt Broncos.

Our thoughts, prayers and deepest condolences are with the team, the staff, family, friends and community of the Humboldt Broncos.

During times of tragedy and loss, the support of community can lend much needed strength. It is the hope of WCHS, that our small act of condolence will join with the collective acts across Canada to let the team, their families and friends and the town of Humboldt and the province of Saskatchewan know **#weareallHumboldtBroncos**.

Students please note, if you are struggling with this or any other issue, please do not hesitate to contact your Advisor or Counsellor.
