## PRINCIPAL'S MESSAGE

I hope that all our students had a restful spring break and you have come back with lots of energy for the remainder of the 2018-2019 school year. I would like to thank all the parents and students that have taken the time to complete our school surveys. We appreciate the feedback you are providing us about our school. This information is very helpful and your input matters as we use this information to develop our school improvement plans for next year. If you have questions please do not hesitate to contact my office.

The end of our school year is right around the corner with Quarter 3 ending on Tuesday, April 17th. Parents can expect Quarter 3 grades in Maplewood by April 23 with report cards being distributed on April 25th. A reminder that our next school council meeting Wednesday April 10, at 7:00 pm. We will be discussing the results from the Health Canada survey that was completed by our students in February and we will be providing parents an update on our planning progress for next year.

Sincerely,  
Mr. Kris Denney

As we look towards the end of this school year we are busy planning for next year as well. To help us in our planning process, we are asking all parents to take a short survey about our school. ## PROPER PROCESS FOR SIGNING OUT OF SCHOOL

We would like to remind parents to communicate appointment times with their students ahead of time so they are aware they need to leave class. This helps reduce classroom disruption.

All students must report to the office before leaving school with the exception of lunch break. A parent or guardian must call for the absence to be excused. It is imperative that we know who has left the building to ensure we are able to efficiently account for all persons in case of an emergency.

## LITTER
