PRINCIPAL'S MESSAGE

The end of the school year has arrived and I would like to thank all our students and staff for their hard work this year. The people that enter our doors everyday are what makes WCHS such a great school. Over the next two weeks, students will be busy wrapping up their courses and preparing for their exams. I encourage you to stay focused, study hard, and take advantage of the help that is available to you. During exam week, our teachers are available for extra help. Please check with your teacher to see when they are available.

Once again, the 2018-2019 school year has been a great one for WCHS. To our graduates, best of luck in the future; and to our returning students, have a great summer! We look forward to seeing you again in the fall!

Sincerely, Mr. Kris Denney

New Login Process for Parents and Students in 2019/20

Parents, please be aware that Maplewood - our login system for accessing markbooks and attendance - will be discontinued at the end of this school year. Students and parents can access the Maplewood system to review final marks until July 5, 2019. A final report card will also be mailed home at the end of June.

Over the summer, student data will be transferred to our new online system called PowerSchool. Our desire is to have logins for parents and students at the end of August when registration commences; however, this may be delayed until the first or second week of September. We will have updates on our website as we get closer to August registration. Please go to www.wetaskiwincomp.ca for more information, or call our office at (780) 352-2295.
