Dear Parents/Guardians:

WCHS conducted a Lock-Down Drill at 2:10 pm on Wednesday October 9, 2019

This was only a drill and there was no threat facing the school.

Had this been a real emergency, WRPS would notify parents and continue to communicate updates as soon as they were available.

What is a Lock-Down

Lock-Downs are usually used in response to acts or threats of violence to students and/or staff directly impacting the school. During a Lock-Down all doors to and within the school are locked. No one is permitted in or out of any area once it has been locked. No one, other than law enforcement, is permitted access to the building until the Lock-Down is over.

Again, this was only a drill. Thank you for your understanding.
