Grade 11 Course Selection

April 30, 2020

Grade 10 Students/Parents:

We are asking all students to complete their course selections for the 2020-2021 school year. These instructions are for students who are currently registered in Grade 10. Each student was given a registration package when they picked up their belongings at the start of April. Please make sure that the Registration Verification form (not the blue Grade 11 Course Planner) that was included in the package has been mailed back to the school in the prepaid envelope that was included.

Starting today, we are requiring all students to complete their course selections through your parent or student PowerSchool account. The link to our PowerSchool page is on the school website. Please note this process should be completed on a Chromebook or computer and not through the PowerSchool App (phone). This process needs to be completed by **Monday, May 11th**. Please follow the steps below:

1. Please watch the attached presentation from Mrs. McFarland our Grade 11/12 Learning Support Teacher:
 - a. [Grade 11/12 Course Pathways](#)
2. Have your sample Grade 11 Course Planner completed
 - a. Grade 11's must register for a minimum of 35 credits.
3. Before you log into PowerSchool, I would encourage you to watch the attached video from Chinook High School in Lethbridge. It gives you a very clear explanation on how to use PowerSchool to select your classes.

4. Log into PowerSchool and select “Class Registration” on the left hand side.
5. Follow the instructions for each Course Group (English, Math, Social, Science, Options, Alternatives). Make sure you click on the “Pencil” icon on the right hand side to select a class. Remember to hit **OKAY** each time or your selections will not save.
6. After selecting the correct amount of classes for each course group, there will be a green checkmark beside the “Pencil” icon. Enter **SUBMIT** on the bottom right corner. This takes you to the course selection review page.
7. The final step is to review your selections. You may go back and make changes if needed. From your selections, a timetable will be generated for you in June.
8. **If you are unable to select a course due to prerequisite rules or you need any help completing the course selections process, please do not hesitate to contact Student Services.**

Regards,

Grade 11 Learning Team
