June 16, 2021

Dear Graduates and Grade 12 Parents,

As we approach the end of the year, our Grade 12 students are ending their time at WCHS. We are a week away from our convocation ceremony for this year's graduating class. With the changes to COVID-19 regulations and feedback from parents and students, we are adjusting our ceremony in order to include more family members into our program with the following changes outlined below (see map on p. 2 for reference):

- We will conduct an indoor walk-through ceremony instead of the original drive-through ceremony. Graduates will be able to bring up to eight (8) guests into the gym as they receive their WCHS diplomas. This decision allows us to remove the elements of weather; enables us to add technology into the program; and increases the number of guests who can be a part of the ceremony;
- Students will keep their scheduled graduation time slot which they have booked previously through our scheduler;
- Photo booths will be set up both inside and outside the gym. All students and guests must still wear masks while in the school, but can remove their masks for the outside photo booth; and,
- As the graduate receives his/her diploma, the student's grad photo will be displayed above them on the video wall.

We believe that these changes will make this ceremony much more personable for our grads and their families, as they celebrate this important event together.

Sincerely,

WCHS

Kris Denney
Principal

Wetaskiwin Regional Public Schools

Darren Demone
& **Shawn Willmott**
Vice-Principals
