

GRADUATION APPOINTMENT NOTICE

Bring your own props!

**Check with your school if roses
will be provided.**

Come dressed ready for casual poses!

**Make sure to check with your school
if animals are allowed.**

Due to Covid restrictions Smart Photography cannot provide students with caps, scrolls, flowers and tables this season. Please check with your school on what will be provided. We use Green Screen technology. Proof and ordering information is provided at the sitting.

MAKE THE MOST OF YOUR SITTING!

- Bring props, uniforms, equipment, a special outfit - anything that shows your personality off! (Please check with the school before bringing in pets, large items, or items that could be construed as weapons.)
- If you regularly wear glasses, do so for your photos! Some lenses may cause glare so consider removing them or having your glasses fitted ahead of time.
- **Ladies** - soft and neutral hair and makeup reads best in your photos! Pick a style you are comfortable with!
- **Gentlemen** - be sure to shave the day of your sitting. We suggest you get your hair cut no later than a week before your sitting.
- **Ladies** - go for a modern feel with a collared blouse, or try a lower cut shirt for a more traditional look. Avoid high cut tops as they will show above the top of the gown.
- **Gentlemen** - a shirt and tie is required for your grad gown photos.

Questions? Call our office at 1-877-838-0800 or email info@smartphotography.ca

Get the most out of your photo day by telling your photographer exactly what you want.

- What would you and your parents like from your sitting?
- Any specific requests for the photographer?
- Please let us know if there is a certain combination of props and outfits requested.

"PICTURE YOUR MEMORIES!"
